B. Professional Engineer Registered in Florida Certification (as required by Chapter 471, F.S.)

I certify that the project has been completed substantially in accordance with the approved plans and specifications, or the deviations will not prevent the system from functioning in compliance with the requirement of Chapter 62-604, Florida Administrative Code, when properly operated and maintained. These determinations have been based upon on-site observation of construction, scheduled and conducted by me or by a project representative under my direct supervision, for the purpose of determining if the work proceeded in compliance with plans and specifications and application materials. I further certify that record drawings for the facilities have been reviewed by me or by individual(s) under my direct supervision for completeness and adequacy, and have been proved to the permittee. I further certify that the record drawings identify those substantial deviations noted above.
